LET'S GET A WHITE GIRL

Here are five boys accused of savagely assaulting an 11-year-old girl, and you wonder if any of them cares.

Four of five youths who have admitted taking part in the rape and slashing of an 11-year-old Girl Scout were described Tuesday as "troublemakers" on probation from Family Court.

CHICAGO DAILY NEWS, Tues., Feb. 25, '58

The parents of Carol Foss, 11, viciously stabbed and mistreated by a gang of youths, offered prayers for her recovery Wednesday.

"The best thing we can do now is to pray for our little Carol," said Ellwood Foss, 40, the father.

One of the 13-year-old boys singled out by Carol earlier had been identified by a companion who said the suspect had urged him in a school playground, on the night of the attack: "Let's get a white girl." The suspect is 6 feet 1 inch tall despite his age.

Carol, a blond with blue eyes, is a 6th-grader at Wentworth School, 6900 S. Morgan, where her father said she was a "good" student.

She had attended a meeting of Girl Scout Troop 1650 in the Salem Evangelical & Reformed Church, 6824 S. Emerald, after school Tuesday.

CAROL, 6725 S. Sangamon, a Girl Scout, was set upon by four Negro youths in a stairwell at the rear of 6701 S. Sangamon Tuesday night.

She was stripped of her Scout uniform and mutilated with either a knife or a broken bottle, police said.

About 20 youths were rounded up by police as possible suspects.

Police took fingerprints from a bloodstained automobile found in front of the building in which the girl was attacked. They conjectured that the girl's attackers had wiped their hands on the auto as they went by after leaving the building.

Nine boys, rounded up in a police search for a gang which seized, stripped, and raped an 11 year old girl near her home on the south side Tuesday night, were questioned yesterday in the state's attorney's sex bureau.

Another, Billie Evans, 15, of 6834 Lafayette av., will be questioned today. When arrested last night at 69th st. and Perry av., he was carrying a "Zip gun," loaded with a .22 caliber bullet, an ice pick, two pocket knives, and a square of broken mirror.

The victim of the attack was reported in fair condition in Englewood hospital, altho still not strong enough to view those seized as suspects. The girl said her attackers were Negroes.

Victim Crawls Home

She told Sgt. Thomas Mulvey of the sex bureau that the gang dragged her into a basement areaway at 6701 Sangamon st., stripped off her Girl Scout uniform, beat and raped her, and slashed her with either a knife or a broken bottle.

She lay helpless in the areaway for half an hour after the attack, weakened from loss of blood, before she was able to crawl to her home a few doors away.

The white population of the District of Columbia is in a decline; the Negro population has shown a spectacular rise. Washington has a greater proportion of Negro residents than any other major city, North or South. Estimates are that by 1960 the nation's capital will be about evenly divided between whites and Negroes.

A laundry mark on a suede jacket left behind by a rapist in a Kenwood av. apartment led to the arrest yesterday of Robert White, 21, of 5000 Indiana av.

White

White, who only two weeks ago was a cotton picker in North Carolina, was identified by four south side women who have been victims of rapes in the last eight days.

His latest victim, the wife of a University of Chicago professor, told Detective Edward Spellar she admitted him to her third story apartment when he yelled that he was a utility employe checking a meter.

Robinzine, 25, of 122 E. 36th, was arrested by Dets. Otto McCollum and Ralph Smith Saturday night in a restaurant he operates at 3538 S. Indiana.

Washington, Jan. 5 — The George Washington Carver Memorial institute gold medal today was presented to President Eisenhower "for outstanding contribution to the betterment of race relations and human welfare."

Returning Home

That attack occurred about 6:15 p.m. Tuesday as Carol was returning home from a grocery about a block from her home.

The girl told her mother, Mrs. Betty Foss, 38, that she was seized by several husky Negro youths and pulled into the stairwell. There they cuffed, slugged and stabbed her, and ripped to shreds the Girl Scout uniform she wore and her underclothing.

Carol said she lay in a pool of blood for half an hour and then managed to get to her feet and stumble home.

AT 67TH and Sangamon, he said, they saw the Girl Scout who was in uniform and returning to her home from a nearby delicatessen.

According to Valentine, Clay grabbed her, covered her mouth with one hand, jabbed his knife in her ribs and dragged her into the basement entryway.

They ripped her uniform off and Clay attempted to rape her, then slashed her with the hunting knife, Valentine said.

CLARK MADE an attempt to rape the girl and then Clay assaulted her again, according to Valentine's statement.

Drifter Confesses Killings in South

Richmond, Va. - P - "Everybody I ever robbed I killed."

With these words Jeremiah McCray, a 25 year old itinerant, admitted five slayings Friday, state police said. As McCray's tale of a killing spree that started in 1956 unfolded here, police checked authorities in Ohio, Georgia and Alabama to

Jeremiah McCray confirm the details. McCray was arrested for questioning about the fatal beating of Mrs. Jeannette M. Griffin, 49 year old widow, in Ladysmith, Va. He admitted killing her and then confessed to slaying three other women and a man.

MRS. JOHNSON

Police took George Sims to a third-floor apartment at 6428 Kimbark, where he told how he surprised Mrs. Jennie Johnson as she entered her apartment about noon April 2.

He said he tightened a rope around her neck and beat her head against the floor and then raped her.

"She was still breathing when I left," Sims told police. "I didn't know she was dead until I saw the newspapers."

The editors of Life Magazine gave no details as to how Private Louis Till met a hero's death. They passed over the facts in haste to get to the hero. The records of the Army show that Private Louis Till, the "fighting hero", was executed in Italy on July 2, 1945, at the age of 24, for the crime of rape and murder. He raped two Italian women and murdered another. As that buck negro, was "fighting", raping and murdering those white women of Italy in the year 1945, he was doing exactly what Life Magazine said he was doing. He was "fighting for the . . . proposition that all men are equal", but thank God, it was not an "American proposition"! Equality of freedom is Americanism. Equality of men is Marxism. The proposition that all men are equal in all respects and that it is not wrong to reduce the chastity of white womanhood of America to the level of black brutes is a cardinal tenet of communism. No, we don't condone "a deed so foul" as the killing of Emmett Till, nor do we condone the depravity of the editors of Life Magazine! It is they who have lost their souls.

DID YOU KNOW THAT --government policy for minorities is created by sex perverts who salivate freely at the thought of little white girls being brutally ravished by hulking Negro thugs? These tittering nancies, classic types of simpering homosexuals, fled like butterflies from the State Dept. after Sen. McCarthy discovered that many of them had Communist boy friends. They were hired by the Dept. of Health & Welfare, which deals with minority problems. These sex perverts have chosen Eisenhower as their spiritual leader, because his shining bald pate represents a phallic symbol to them.

Newspapermen in Little Rock noted that the town was swarming with FBI agents, who were reported to be the advance guard of agents who will move into the South to police the new civil-rights law.

Haiti's Dr. Louis Mars reported that in his country schizophrenia accounts for one-third of all psychoses (again a low proportion compared to the West), with the paranoid form most common. Haiti's peasants rarely develop schizophrenia, but those who do, show in their delusions "a cultural African content with the gods and devils of the old black continent." The disease is most often seen among the economically and culturally unstable fringes of the middle class in the towns, and these people in their mental disturbances "evoke the Christian god, electricity, radio and other elements of Western civilization."

Is there a federal law that authorized the intervention of troops in the Little Rock school dispute?

The President cited three laws as authority for what he did. All three dated back to the Civil War and the Reconstruction period in the South.

"In less than 4 years, Eisenhower has done more to advance civil rights than all other Presidents since Abraham Lincoln!" TEXAS OUSTS WOMAN WAF WED TO NEGRO

San Antonio, Tex., Sept. 7 (AP)—A white woman and her Negro husband, who escaped indictment yesterday by a Bexar county grand jury investigating the mixed marriage, have departed for California after having been told to leave Texas.

This was disclosed today by a member of the family of Ollie Brown Jr., Negro boot-black, 21, who married Mary Zichterman, 22, green eyed blonde from Michigan, at Nuevo Laredo in August 1955. Mrs. Brown, who said she is pregnant, was formerly a member of the woman's air force. The couple told him they intended to leave the state.

The couple's marriage violated the state's miscegenation statutes, which not only prohibit mixed marriage in the state but forbid cohabitation within the state of parties to mixed marriages performed outside the state.

They met at Lackland air force base, where she was a WAF and he was a porter in the officers' club.

For two years the U.S. Army has denied that negroes are recruited for overseas service by offering them white women in Germany and England. During this time, 9,204 American blacks married white girls in Germany with the blessing of the Army. Why does the Army continue to deny this vicious practice of bartering the white girls of our Allies to black soldiers?

60 Negro GIs Ask Transfer

WUERZBURG, Germany — (AP) — About 60 Negro soldiers who have white wives have asked for transfer from the U.S. 10th Infantry division before it is sent to Georgia next month, division officials said Thursday.

Georgia state law forbids "cohabitation" between Negroes and whites.

Soldier Confesses in Slaying of Girl

Chicago, Ill. (AP)—An 18 year old soldier admitted Thursday, police said, that he beat, choked and

raped a 17 year old girl after she left an army dance Saturday night. The body of the victim, Joanne Pushis, was found Thursday in some bushes in Calumet park on the south side. She was fully clothed when found but her clothing was disarranged. Detectives said that Pvt. Henry Matthews of Detroit admitted during a third lie test that he had attacked the girl.

The girl went to the dance with two girl companions, her brother, David, 18, and David's girl friend. She was last seen walking out of the hall toward a nearby bus stop. Her acquaintances said that she left the party because her dance partner had become ill and returned to his barracks.

Matthews was held without charge.

The arrests were made near the scene of the beating of a white girl by six Negro youths in a schoolyard.

INTEGRATION IN SCHOOLS KEEPS POLICE ON JUMP

Washington, Sept. 20 (AP)—Two Washington school principals told house investigators today that racial integration of their schools was followed by a marked upturn in police calls, student pregnancies and disciplinary problems.

10 Pregnancies in Year

And he said there were 10 student pregnancies at the school last year, compared with two or three the first year of integration. He was not asked the race of the girls who became pregnant.

OAKLAND, Calif. (AP)—Thirteen teen-age Negroes were arrested for questioning about recent beatings of white students at Elmhurst Junior High School. The school's student body is predominantly Negro.

What and where are the racial conflicts that now torment the American people? They show up in one week's news stories.

Southerners hear little of the jungle terror in Northern cities; the mayor of Chicago recently advised white women living near colored neighborhoods to carry pistols for their own protection! Police records show that in Chicago alone, 4,193 white women were raped by Negroes during 1957!

Not Punished

Yet only three Negro rapists were arrested; two were released for "insufficient evidence" and the third was sentenced to three months in jail on a revised charge of "disturbing the peace"!

Pregnant Girls

In Feb. 1958, Chicago school authorities suspended 89 white girls who were pregnant from intercourse with Negro students and teachers. Social science classes, no doubt!

HERB GRAFFIS

Terror In Washington

How's this for life in the United States: "Don't walk alone at night—that's one rule to avoid being waylaid by footpads."

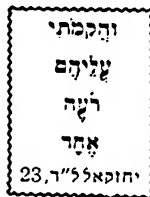

The advice was a four-column head on a front page of the Washington Star, which has been running a series on violence in the streets of our nation's capital. A reign of gorilla terror has people in Washington more scared than the residents of any other city I've ever been in. In London during the war when the VIs and VIIs were clobbering and killing hundreds the British were less afraid of horrors that came out of the black night than Americans are of the savage prowlers who beat and rob and rape in Washington after dark.

STUDENT HURLS LYE; BLINDS BOY

New York, Sept. 19 [Special]
—New York's wave of juvenile delinquency was

climaxed today with the tossing of a bottle of liquid lye into a Brooklyn high school classroom.

An honor student was blinded, another youth was seriously burned, and 18 other pupils and a teacher received superficial burns.

Several hours later Maurice Kessler, 17, a pupil at the school, Thomas Jefferson High, was arrested and identified thru his voice as the attacker by David Ozersky, 16, who had been blinded.

A month ago, police said, Kessler made a sexual assault upon Ozersky and was arrested. He had been at liberty under \$1,000 bond pending trial on morals and assault charges.
